EZQuest 2 Port eSATA II PC Express Card/34

The EZQuest 2 Port eSATA PC Express Card/34 uses the new Express Card slot on your notebook computer replaces the CardBus PC Card slot. It enables you to take advantage of the high-speed performance offered by the new Express Card technology. An Express Card/34 module (34 mm wide) can fit into either a Universal or 34 mm Express Card slot. If an Express Card/34 module is inserted into a Universal slot, the internal guidance feature gently directs the module over to engage the connectors.
